

## Certificate of Preparation of Voting Location Ballot Counters

I, Kim Rinn, Election Official, custodian of the election records do hereby certify that a successful test was completed on each voting location counter that is to be used in the Uniform Election to be held on May 4, 2024. The test was conducted on April 11, at 1:00 p.m. The test ballots and other test materials were placed in a container and sealed. The following is a record of the identification number of the Encrypted USB that was installed into each voting location ballot counter and location that the equipment is to be delivered. I further certify that after Encrypted USB was installed and sealed into the counter to prevent unauthorized entrance, the voting location ballot counter was properly locked.
